ALL MATCHES SHOT ON NEW FIG.12 WITH ROUND CENTRE

A tribute shoot to Best of American.

Bring it on people! It could be cold, probably wet but where else would you rather be. You've had it far too easy and soft with those manual bolt guns! I can promise you nothing but pressure and exercise, so bring your semi-auto mouse gun, as much ammo as you can sneak out and join me to make them mouse guns roar!

Match 1. Trinity

Standard trinity match, 5 rounds per position, 1x Fig 12 (50 yds) 60 seconds per position. This is the only easy match you get all day so make it count.

Match 2. Action Muppet

Action M with a twist. Start standing with rifle on mat, magazine inserted, loaded with 5 rounds, bolt closed on empty chamber, On command, drop to prone fire two rounds, change to standing fire two rounds, drop sitting/kneeling fire one round, reload with 5 rounds and fire one round, change to standing fire two rounds, change to prone fire two rounds. Both plates must be down for Fig 12 score to count. No more than two rounds to be fired from each position at one time. Plate = 5 pts and can be engaged at any stage. Yes, that means you will have a maximum of 8 rounds on the Fig 12. Yes, you need two magazines of 5 rounds each. 60 seconds. 2 x Plates 1 x Fig 12(50 yds)

Match 3. SANDS OF IWO JIMA

Run Forest Runnnn. Start position - Prone Rifle - loaded with 10 rounds. Extra ammo in supplied ammo can in mags.
