- Match 5 is a stand-alone event for the WSRA SLR trophy

Note: Matches 2 or 3 may be dropped if squad numbers are high.

Open class is only for .303 or L1A1 rifles not fitting into Service class, no other firearms are permitted. Medals awarded for overall 1st, 2nd and 3rd aggregates

Veterans Class. Because none of us are getting younger and each year we seem to have to stretch individuals off the mound after too many shenanigans, we have introduced a Veteran's Class that omits the action M. This class is open to members 50 years of age or older with conditions that do not allow free movement and that are shooting a service class rifle. Scores still count towards individual trophies. Gamers will be beaten with canes while strapped to a Zimmer frame if caught applying. Miraculous recoveries after prize giving will also incur paying your weight in beer to other members in that class.

We have limited quantities of .303 ammunition available for purchase on the day (Cost will be \$2 a round) but any full power 150 to 220 grain ammo is permitted in Service class.

Post 1970 ball ammunition only is permitted as anything older tends to cause hang fires. Cast bullets are also allowed but loads must be similar in recoil to MKVI ball.

Range Fees \$15.00 includes a BBQ

NO POPPY = NO SHOOT
