- Match 5 is a stand-alone event in memory of the L1A1 SLR

**Note: Match 5 may be dropped if squad numbers are high.**

**Open class** is only for .303 rifles not fitting into Service class, no other firearms are permitted. Medals awarded for overall 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> aggregates

**Seniors Trophy** Because none of us are getting younger and each year we seem to have to stretcher individuals off the mound after too many shenanigans, we have introduced a Senior's Trophy that omits the score for the Action M. (The senior can still choose to shoot the Action M if they are feeling lucky and the painkillers are still working to try and win the ANZAC trophy as well) This trophy is open automatically to members 65 years of age or older. (Have it noted at registration time you are a senior and have your gold card handy should you still look stunningly youthful) Scores still count towards individual trophies.

**Ammunition;** Any full power 150 to 220 grain ammo is permitted in Service class. Post 1970 ball ammunition only is permitted as anything older tends to cause hang fires. Cast bullets are also allowed but loads must be similar in recoil to MKVI ball.

Range Fee: \$20.00 includes a BBQ and a table full of spot prizes.

**NO POPPY = NO SHOOT**
